Substitute for CIPA item # 486
(Old Bates # M-AID-90000233)

The United States Government has information that Sayf al-Adl, a senior member of al-Qaida's military committee, made a statement after September 1, 2001 and before late July 2004 that Zacarias Moussaoui, despite his western upbringing, is a jihadist devoted to serve Islam, but he was absolutely not going to take part in this particular mission September 11, 2001.
